Leader's preparation

Before joining the livestream, please take a few minutes to prepare your classroom for the PEACE mission element of the SVP's session. Hide the five letters (P, E, A, C, E) in the suggested locations around your classroom, using the clues below to guide you. Make sure the letters are hidden but accessible, and that pupils can search safely without moving furniture or equipment. Keep the letters secret until the mission begins!

During the livestream, pupils will work as a team to solve each clue, find all five letters and crack the code to reveal the special message.

PEACE Mission– Can you crack the code? - For leader only

Clue 3 – A

"I help everyone know how to behave, be kind and work together. You can usually see me on a classroom wall. What am I?"
