

10,000 Reasons to Hope, the Flame Challenge, invites all young people going to Flame, March 2017, to act together to make a positive change and be a sign of hope.

As part of this challenge, you are invited to write or draw a short message of hope or commitment for refugees in one of the attached boxes. Once you have done this, ask 2 of your friends or family to do the same (if you're really up for the challenge, ask for more sheets and get them completed by more people). Your messages will be shared with refugees in the UK or around the world.

As 10,000 young Catholics gather for Flame we can be a visible sign of 10,000 reasons to hope.

Please return your sheet to your Flame group leader.

"Don't ever lose hope! The Lord has a great dream which, with your help, he wants to come true."

- Pope Francis.
